"Bring good people and good ideas to government"

Dear Senator Scott:

As the duly elected representative of the Beaufort County Republican Party (BCRP) I would like to first express our thanks and appreciation for your past works and efforts on behalf of the people of Beaufort County! As we are leaders in the Beaufort County Party, we make every effort to support our "Republican Values" in all of our efforts and as our junior Senator, you are also a leader in our Party here at home and in Washington, D.C. and we expect and receive the same from you.

We wish to commend you for your vote on the recent infrastructure bill we feel is in direct conflict with our principles and values contained within our Party's platform. We would like to go on record with you that we feel your vote supports our values and the principles contained in our Party platform. We feel that a vote for the infrastructure bill tremendously increases our already incredible national debt and will be virtually impossible for our future generations to pay it off. We believe the Democratic Socialists/Communists are endangering our nation's solvency with its efforts to provide support for those poorly administered Democratically controlled blue states. As we told Senator Graham this bill will hurt the middle class and inevitably lead to higher inflation.

Our members have nothing but praises for you and your positive messages in support of our conservative values and principles! Our nation is at a critical point just eight short months into the Biden's presidency. Our focus continues to be on electing Republicans, defending our conservative and beating back the Democratic socialists/Communists' values in the process. We want to continue the success we had in Beaufort County in 2020 into 2022 and beyond. Should you need our County's Party assistance please don't hesitate to contact our office. Thank you so very much for your hard work and outspoken voice on the true conservative principals and values of our party!

Looking forward to working together as leaders in the South Carolina Republican Party.,

Sincerely

Kevin Hennelly
Chairman
Beaufort County Republican Party
